"This has been a MUCH better alternative to using advertising in a local paper. The value compared to a few weeks of advertising is incredible"

Matthew Allen, Marketing Manager, Dartford Science and Technology College

"My company still does and has been using PMM since February 2016. The staff are very helpful in all matters and the services they provide offers excellent value for money. I would say they are better than 5 stars and would definitely give a 10/10"

Mike Diamond, Managing Director, WDS Associates Legal Services Ltd & British Executive Film Producer

"It has been great working with Positive Media, they are really informative about the best options available and always quick to get back to you. We saw an amazing response to our advertising, with over 350 visits to our open day, by far the busiest yet."
